portfolio

Summary

Enthusiastic and highly motivated Full Stack Developer with over 2 years of experience in designing, developing, and implementing scalable and efficient web applications using the MERN stack (MongoDB, Express.js, React.js, Node.js). Proficient in Python, C#, JavaScript, and TypeScript, with a strong foundation in computer science and information technology. Seeking to leverage my skills in a dynamic and innovative tech environment.

Education

Mansoura University, Faculty of Computer Science, IT Department

Bachelor of Computers and Information

Graduation Year: 2022

Percentage: 74%

Graduation Project: A+

Projects

BrandShop

An ecommerce store built with Node.js, Express.js, and MongoDB.
